

BNRA MEETINGS AUTUMN 2023 AT WOODSTOCK

Change in Meeting Venue

We have traditionally held our BNRA meetings from September to April at the Bear at Woodstock for the last 20 years. However, very large price increases at the Bear and also parking charges at Woodstock have resulted in the BNRA seeking an alternative venue that offers better value to members. We are also in the process of arranging a new role to organise the meetings after John Wain's excellent 21 years in this role.

The BNRA Committee apologise for any inconvenience as we resolve these issues
